

ROG Orthodontics again offering our Smiles in Motion shuttle service for our patients in grades 5 – 12 for the 2019-2020. Smiles in Motion, a service provided by Infinity Limousine for ROG Orthodontics, will visit your child's school on a designated day at a specific time. Those patients with scheduled appointments will be picked up at their school, transported to ROG Orthodontics and returned to school via Smiles in Motion upon the completion of their group's appointments. When your child's next appointment is scheduled, it will be on the designated Smiles in Motion day for their particular school. If you have any questions, please call our office.

In order for this service to operate smoothly, we ask the following guidelines be followed:

- 1. The patient's parent/legal guardian must complete the enclosed Smiles in Motion Transportation Request and School Authorization forms. Please return them to our office. An envelope with pre-paid postage is enclosed for your convenience.**
2. It will be the responsibility of the patient's parent/legal guardian to notify school officials of the patient's appointments with our office in the manner the school has deemed acceptable; written note from parent, district provided excuse, ROG Orthodontics excuse, etc.
3. Smiles in Motion will operate between the hours of 9:00 am and 12:00 pm. **In the event of inclement weather, we may suspend Smiles in Motion service for the day. If school is delayed or closed because of inclement weather, the parent/legal guardian is to provide transportation to and from the scheduled appointment or call the office to reschedule.** Please ensure that we have a correct daytime phone number where you can be reached in case we need to contact you.
4. If the patient is absent from school the day they are to ride Smiles in Motion, or not riding for any reason, please call our office that morning so that we can inform the driver..
5. Misconduct of a patient while on Smiles in Motion will not be tolerated and will result in the suspension of Smiles in Motion service to your child. Any damage to the vehicle caused by a patient shall be the monetary responsibility of the parent/legal guardian.
6. Patients are asked not to eat or drink while on Smiles in Motion. If there is a possibility that your child may miss their scheduled school lunch, please be sure to pack a lunch to be eaten at our office.
7. Patients will not be permitted to leave the ROG Orthodontics building. Violation will result in the suspension of Smiles in Motion service to your child.
8. The patient will be given a statement summarizing the day's appointment. This slip also includes a school excuse and the information regarding your child's next appointment. If the next appointment is not convenient, please call the office to reschedule.
9. In order to keep the lines of communication open we will contact you periodically via email regarding the treatment status of your child. Please feel free to contact us anytime with any questions or concerns.

PLEASE BE AWARE THAT SMILES IN MOTION POLICIES AND PROCEDURES MAY CHANGE AT ANY TIME WITHOUT NOTICE.

ROG Orthodontics will fax your child's school on the appointment day to remind them of the appointment and that Smiles in Motion will be providing the transportation to and from our office. ***Please remember to send a note to school with your child on their appointment day.*** Even after receiving the fax, most schools will not release your child from school unless a note from a parent has been sent. Make sure to include travel time on the note, not just the appointment time.
